SOCIALIST REPUBLIC OF VIETNAM
Independence - Freedom - Happiness

Hai Phong, October 28, 2025

No: *132* /2025/VSC

To: - **STATE SECURITIES COMMISSION OF VIETNAM**
- **HO CHI MINH STOCK EXCHANGE**

Pursuant to the information disclosure regulations applicable to listed organizations on the securities market, **Vietnam Container Shipping Joint Stock Corporation** (stock code: VSC) would like to explain that the profit after corporate income tax in the Statement of income for **Q3/2025** has fluctuated by 10% or more compared to the same period last year in the **Separate Financial Statements** as follows:

Unit: VND

No	Indicator	Q3/2025	Q3/2024	Difference	Rate
1	Profit After Corporate Income Tax	539,903,136,807	-24,505,874,302	564,409,011,109	2303,15%

Main reasons:

In the third quarter of 2025, the Company's financial income increased significantly due to recognizing a profit of approximately VND 593 billion from the transfer of shares in VIP Greenport Joint Stock Company. This resulted in a rise of about VND 621 billion in financial income compared to the same period in 2024.

However, during the same quarter, the Company also recorded an increase in profit from core business operations, higher investment gains from securities trading activities, while maintaining operating expenses at a stable level compared to the third quarter of 2024.

As a result, the Company's post-tax profit for Q3/2025 increased by VND 564,409,011,109, equivalent to a growth rate of 2303,15% compared to Q3/2024.

Sincerely,
